To The Occupier

Dear Sir/Madam

St Johns C of E Primary School 'Listening Event' Tuesday 25th July

We want to hear your views about how proposals for the new St Johns C of E Primary School could be developed on the existing site.

We have listened to your previous concerns and want to work with you as we develop and prepare a planning application to deliver a fantastic, modern, new school to replace the existing building on the site.

We are holding a 'Listening Event' on **Tuesday 25th July between 8:45am and 6pm at St Johns C of E Primary School** where members of the team will be available to explain the site constraints and limitations and listen to your ideas and views about the future of the school.

The format of the event is expected to facilitate individual discussions, but small groups will also be accommodated where possible (depending on the availability of representatives, number of attendees and space requirements).

Following this event and helped by any comments received we intend to develop our plans which will ultimately lead to the submission of a planning application in Autumn 2017. This event represents the start of the process and everyone will have a number of opportunities to comment on more detailed proposals as they develop in due course.

Feedback forms will be available for your comments or you can email us at st-johns@lichfields.uk

Yours faithfully

Ron Rampling
Priority Schools Programme Project Director
